

North Star Rotex are former outbound exchange students from Minnesota and Wisconsin who have participated in one-year cross-cultural exchanges throughout the world through the auspices of the North Star Rotary Youth Exchange Program (NSR-YEP); and other Rotary YEP participants who went abroad through other districts, including inbound students who came to the United States or Canada, and who now reside in area served by North Star Rotary YEP.

Current Rotex are high school and college-aged Rotex who volunteer their assistance to North Star Rotary YEP in its programs for outbound exchange students going abroad, and for inbound students from all over the world coming to the US. This includes participating in Inbound and Outbound Orientations, Outbound Selection, and periodic Inbound Weekends.

As a current Rebound, your name, sponsor Rotary Club, host country and other contact information is automatically shared with the current president of North Star Rotex.

Rotex Emeriti are older Rotex who offer assistance to North Star Rotary YEP as Country Officers and other supporting roles, and who give support and counsel to Current Rotex as requested. Twice a year, Rotex Emeriti organize an *All- Countries, All-Years, All-Ages, All-Rotex Get-together*. This is a completely social event simply to get to know each other and to take joy in the long-term value of being a Rotex.

For you privacy, to be included in the Rotex Emeriti email list of up-coming events, you must share your contact information with them. This will allow you to receive Evites and other information during the year.

To be added to the list, please send your Name, Host Country, Year Abroad, and Email Address to: gregg.white@q.com

Thanks!

2011 SUMMER ROTEX BARBEQUE

*Please join us for this semi-annual
All- Countries, All-Years, All-Ages, All-Rotex Get-together*

At David & Sally Franke's lovely home on Lake Gervais
701 Keller Parkway
Saint Paul, MN 55117

Saturday, August 20, 6:00PM to 9:00PM

We hope you can come to this year's Rotex Summer Barbeque!

Our hosts, David (Japan 74-75) and Sally Franke are igniting the grill and providing loads of hamburgers and weinies and all the fixings.

David has already called Mother Nature and she has assured him of perfect weather, so we know this event is a "go" regardless of the forecast.

Rotex Emeriti are asked to bring a side-dish to add to the table, and a bottle of wine or a six-pack to add to the communal cooler.

Current Rotex (including Rebounds) are merely asked to RSVP so we know how many folks are coming.

Everyone is welcome to bring a spouse/partner/date/friend.

WELCOME!!
